## Child Sponsorship

Musa lives in Uganda and He was born on 3rd August 2010. As a group, we sponsor Musa through the Christian organization 'Compassion'.

'Compassion' works through local churches in poor communities around the world to release children from poverty, helping them to fulfil their God given potential.

Sometimes we make things in our activity sessions to send to Musa, and we regularly write to him. If you would like to include anything in this please let us know.

Photos and letters we receive from Musa can be found on our notice board.

It costs £32 a month to sponsor Musa plus any extra costs involved in sending gifts and letters throughout the year.

The gift is taken from your Toddler Group admission fees, however, should you wish to make an additional donation, please speak to a member of our team.
